**SCHOOL PRAYER**

Oh God! Give me clean hands, clean words and clean thoughts. Save me from bad habits that harm. Teach me to work hard and to play fair. Keep me ready to help others at some cost to myself and give me chances to do some good everyday.

Oh God—my Father, I stand before you as your child. I come to take Your touch before I begin this day. Let Your loving eyes rest upon me as I go from duty to duty. I may be blessed by You, whatever I learn and do today.

WE ENTREAT THE PARENTS/GUARDIANS WITH THE FOLLOWING RECOMMENDATIONS

1. Proper development of a child depends mainly on two factors - your supervision at home and ours at school. If either is lacking, the progress of your ward suffers. We expect you to cooperate with the school authorities in enforcing regularity, discipline and habit to study and prepare lessons with keen interest among your wards.

2. Student's home-work diary must be checked and signed daily. It is an important medium of communication between you and the teachers.

3. You are required to notify the school of any change in the address immediately.

4. You are required to acquaint yourself thoroughly with the rules and regulations of the school as well as other details and to maintain cordial relations with the school staff.

5. Students must not be disturbed in course of studies during school hours by the parents / guardians/ relatives. Parent-teacher meeting is the proper event for holding discussions. However, in case of any exigency, prior permission of the Principal is necessary.

6. Tuition by our teachers is specifically prohibited. Students who want to improve, in case they are not making satisfactory progress, can avail the facility of remedial and extra classes conducted by our teachers absolutely free of any charge.

7. No member of the teaching staff is permitted to visit the homes of the students for any reason, whatsoever.

8. Criticism of a teacher or school, particularly in the presence of a student is extremely undesirable and even harmful as it creates disregard for the teachers. Unwanted and superfluous rumours cause immense damage to the building of personality cult of the students.

9. Bulk SMS facility has been extended to each student. The parents shall regularly be informed about child's regularity and performance in the school. Parents are expected to take a serious note of the same.

10. It should always be kept in mind that we are all linked together in a continuous process of educating the children. Hence cordial relations must be maintained at all levels, realizing that the net result of recriminations falls on the child.

PARENT-TEACHER’S MEETING

1. Parent-Teacher’s Meetings are held regularly, on every second Saturday of the month.

2. This enables the parents/guardians to meet the teachers and to know the procure and progress of their child and benefits the teachers to seek parents’ cooperation.

3. These are contact meetings and the teachers and parents cross inform each other about the child and it goes a long way to help the child to improve.

4. Information about the dates and days of such meetings are given by the teachers to the students well in advance.
